**For a certificate of public convenience
and necessity for facilities in Loudoun
County: Beaumeade-Beco 230 kV
Transmission Line and Beaumeade-
Greenway 230 kV Transmission Line**

HEARING EXAMINER'S RULING

August 21, 2001

On August 20, 2001, The Regency Homeowners Association, Inc. ("Regency Homeowners"), by counsel, filed a motion requesting a modification of the procedural schedule established by Hearing Examiner's Ruling dated June 12, 2001. Regency Homeowners requests an additional 30 days in which to prefile testimony. In the alternative, Regency Homeowners requests leave to supplement its prefiled testimony within 30 days after a ruling on its motion. In support of the request, Regency Homeowners states that Hearing Examiner's Ruling dated August 16, 2001, held that it was entitled to access certain information requested in an interrogatory to Virginia Electric and Power Company d/b/a Dominion Virginia Power ("Dominion Power") relating to the need for the proposed line. Dominion Power has not yet provided the requested documents and Protestants' testimony is due to be filed on August 21, 2001. Regency Homeowners states that it will need some additional time to make use of the information which it sought from Dominion Power.

I find the procedural schedule established by the June 12, 2001, Ruling should be modified. Accordingly,

IT IS DIRECTED:

- (1) That, on or before September 17, 2001, Regency Homeowners may file supplemental testimony on issues related to the documents requested on the need for the proposed line;
- (2) That the Commission's Staff may provide comments on Regency Homeowners' supplemental testimony during the October 3, 2001, evidentiary hearing; and
- (3) That Dominion Power may include testimony in rebuttal to the supplemental testimony of Regency Homeowners with its rebuttal testimony due to be filed on September 24,

2001, or Dominion Power may comment in rebuttal to the supplemental testimony at the October 3, 2001, hearing.

Alexander F. Skirpan, Jr.
Hearing Examiner
